ROCK-OLA Folding Bar

Standard Model

Just about the same size as the DeLuxe with the same number of pieces but with an entirely new range of designs. When it comes to verve and vivacity, these Standard folding bars have plenty of "oomph!" They're snappy—catchy—they're tops—and at a price so low, you'll want to keep it a secret!

SPECIFICATIONS

De Luxe

Silk screen process is applied so that the designs are fixed. (Three silk screens are used on the DeLuxe bars.) Tops are alcohol resistant, having a heavy lacquered mahogany finish. Bar set up measures 30 ins. high and 50 ins. long. These bars are sturdily built of well-seasoned plywood with attractive hardware—designed to stand up under frequent use. Thrilling Horse-race game is included.

Standard

A remarkable value for the price! Silk screen process also used on these models. (Two silk screens are applied on the Standard bars.) Bar set up: 30 ins. high, 50 ins. long. Scalloped edge, alcohol resistant top lacquer of heavy lacquer finish, sturdy chrome metal foot rail. Bars fashioned from substantial plywood with complementing hardware. (Horse-race game not included.) A brilliant idea for a wedding gift!

Note: Both "De Luxe" and "Standard" models can be furnished in solid colors of Red, Blue or Green.

Compact Storage

IN YOUR CLOTHES CLOSET

Think of it! When the fun's over, take down the bar in no more than a minute. Tuck it back into its carton and out of sight it goes—so compact that you won't stumble over it in the closet. A "hoon" to the hostess who wants "something different" in entertaining.
